experience

Course Instructor

Rochester Institute of Technology

2009

Rochester, NY

Created a new course, "Guerrilla Design" for upper-level undergraduates. Focused on unexpected public designs for social interaction. Process included improv comedy techniques to better understand public dynamics, and empathize with potential users.

Assistant Gallery Director

David Cook Fine Art

2008

Denver, CO

Managed incoming and existing gallery assets. Assembled written appraisals based on current market information. Oversaw daily gallery functions including auctions and sales.

Marketing + Executive Assistant

B & B Italia

2007

New York, NY

Promotional accessory sourcing for established brand. Provided internal infographics and research support. Logistical management for National Advertisement insertions. On site technology guru.
